

FAMILY FOOTPRINTS

NEWSLETTER 3, JULY 2023

WHAT'S NEW?

We have reached month 18 of the Family Footprints project, and we are delighted with our progress so far!

Over the last few months, we have reached the following milestones:

- A 3-day Transnational Training Event was held in Portugal in May 2023, and it was attended by adult educators in each partner country.
- All PRs have been finalised in English, and partners have begun translating the resources into their national languages.
- Partners have started planning their local piloting and multiplier events, to be carried out with key stakeholders in each partner country.
- Online meetings have been held to ensure deadlines are being met, and that partners are supported in the development of project tasks.

TRANSNATIONAL TRAINING EVENT - PORTUGAL

Storytellme hosted a Transnational Training Event in Lisbon, Portugal, from the 16th to the 18th of May 2023. 13 participants attended the training event, and these adult educators were introduced to the project resources throughout the training, and completed hands-on activities to support their continuous professional development. They explored the DigComp 2.2 Framework, the European Green Deal, and the Family Learning Toolkit, and learned how to develop their own comic strips and audiobooks.
